LAKEWOOD POLICE DEPARTMENT EXECUTIVE SUMMARY 2016

In review of the year 2016 the Lakewood Police Department continues to provide for the safety and security of our residents, businesses, and visitors. The Division of Police is very committed to increasing our visible presence in our community to deter the opportunity to commit violations of our laws. Visibility by the Patrol Officers on our streets is an important aspect of our crime reduction strategy. The presence of our Uniform Division, work by our Investigative and Narcotics Units, and dedication of all of our support staff has a direct impact on crime and improving the quality of life in Lakewood.

UNIFORM DIVISION

The Uniform Patrol Division continued to be the front line in our service to the community. The officers of this division have committed themselves to remaining visible in identified problem areas. They have been active in their pursuit of violators breaking our traffic and criminal laws. The Lakewood Police Departments goal of keeping Lakewood a safe community is advanced on a daily basis by the work of the Uniform Officers.

SPECIAL OPERATIONS

The officers assigned to the Special Operations Unit continue to work effectively with our residents, businesses, and youth of the community, whether in schools, parks, or on the streets. The Neighborhood Police Officers have been a very visible and positive presence in the community and have done exceptional work in keeping our citizens connected to the Lakewood Police Department. The D.A.R.E. officers work every day with the schools and youth in Lakewood to prepare them for the challenges that are ahead of them.

TRAINING DIVISION

Our Training Division continues to do an excellent job in handling many different functions for the Department. The Lakewood Police Department stands apart from many of our contemporaries in the amount and depth of training we undertake each year. Appropriately training our police officers is one of the most important and cost effective ways to provide quality service to our citizens and to provide insurance to the City that we have been properly prepared to do our duty.

The Parking Enforcement Officers are responsible for the operation and maintenance of our parking meters and kiosks, as well as enforcement of meter violations and other parking infractions. The monies collected from our parking lots make the unit self sufficient as it pays for personnel, equipment, and improvements. The funds collected from non meter tickets is deposited into the general fund. Monitoring the turnover of vehicles in our lots contributes to the vibrancy of our commercial districts.

We have maintained strong liaisons with Federal, State, and County partners to investigate and prosecute narcotics related violations. The City of Lakewood continues to have high incidences of heroin overdoses and deaths, which have been a problem throughout our region. All of our officers have been issued the life saving drug Narcan, to administer to those that have overdosed. The Narcotics Unit actively investigates all overdose death cases as Homicides and has prosecuted several of them in 2016.
